

REMARKS/ARGUMENTS

The Office action dated March 1, 2005, has been received and carefully reviewed in light of the examiner's helpful comments and suggestions.

As a preliminary matter, Applicant wishes to thank the examiner for an early indication of allowable subject matter in claims 1-8.

By the above amendments, the specification has been amended to correct the errors in the manner suggested by the examiner. No new matter has been added.

Moreover, Fig. 6 has been amended to add the reference numeral "112" identifying the electric motor. No new matter has been added.

Also, claims 1, 3, and 6 have been amended to overcome the Section 112, second paragraph, indefiniteness rejection and objections raised by the examiner. No new matter has been added.

Each issue raised in the Office action dated March 1, 2005, has been addressed and it is believed that claims 1-8 are in condition for allowance. Wherefore, reconsideration and allowance of these claims is earnestly solicited. Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,
DENNISON, SCHULTZ,
DOUGHERTY & MACDONALD
